

INFOSNAP INFORMATION

Parents if you had a child that attended a West Clermont School during the 2016-2017 school year, you are required by the West Clermont School District Office to update your child's InfoSnap information for the 2017-2018 school year to have your child placed on a class list. InfoSnap letters were sent home on the last day of school and were mailed again on June 28, 2017. At this time we still have 50 students that are not registered on InfoSnap out of 480 students. Please update your child's InfoSnap registration as soon as possible so they can be placed on a class list. If you have lost your letter and do not know your snapcode, please call Karen Fields at 513-947-7900. The snapcode is required to update your registration in InfoSnap.
